PREVIOUS FULL TIME EMPLOYMENT

Icon Films Offline editor, camera operator and dubbing mixer.

Shooting and editing across multiple broadcast productions including 'River Monsters with Jeremy Wade', Unknown Amazon with Pedro Andrade, Primal Survivor and more.

In between international shoots and major edits I would edit trailers & promotional material for Icon's latest productions as well as cutting sizzles and creating graphic pitching decks.

PQube Offline editor, camera operator, web design & creation

Shooting and editing commercials and trailers for Nintendo branded content as well as creating bespoke websites for products.

Rice Digital Writer and content editor

Managing social media accounts and writing opinion pieces and reviews specialising in Japanese video games for online publication at ricedigital.co.uk.

Life Media UK Offline editor, camera operator, web design & creation

Producing and editing promotional and video marketing content for corporate clients. Designing and creating their online presence.
Designing company logo and branding.

AudioGO Audiobook editor

Working across digital and CD Publication; track laying and editing, cleaning up audio, dialogue editing, removing unwanted sounds and layering sound effects.
